If Yes, in what Provinces?

 All or _____**46. Are you actively seeking franchisees Overseas?** Yes No

If Yes, in what Countries?

 All or _____**PICKTHEPERFECTFRANCHISE.COM – ONLY PRE-SELECTED, QUALITY LEADS**

The primary objective of www.PickThePerfectFranchise.com is to ensure that franchisors can "pre-select" the type of prospective franchisees they want to attract and to whom they are prepared to commit time, expense and energies. Unlike other lead generation sites that have no real self-screening mechanism, www.PickThePerfectFranchise.com makes website visitors specify their interests, experience and financial wherewithal before a list of relevant franchisors is presented. To the extent that a visitor's "profile" is in concert with your specified needs, your detailed franchisor profile from www.WorldFranchising.com is made available to them. If they wish to proceed, then they can formally request additional information.

The end result is that you only receive requests for follow-up from prospective franchisees who have been pre-screened. If you are only seeking franchisees in specific states or provinces, the system will preclude inquiries from outside those specified states. If you only want franchisees who are interested in multiple units, it will eliminate franchisees only interested in single units. If you only want to entertain inquiries from prospective franchisees who are prepared to start their system within 6 months, it will eliminate inquiries from those who expect to take more than 6 months.

In short, you receive inquiries only from those individuals who meet your specific screening criteria. No telephone tag or marketing materials sent to clearly unqualified leads. No wasted time. No wasted money.

47. What type of franchise(s) are you interested in receiving leads for? (two category maximum) Advertising & Promotion Cleaning Food & Restaurants Retailers Automotive Computer & Internet Health/Beauty/Fitness Sports & Recreation Business Services Education Home Services Training Children's Services Financial Services Other Travel & Lodging**48. What is the minimum total investment required?**

Be realistic in stating the total investment required! By providing a number that is unrealistically low, you will attract prospective franchisees who may be reaching the upper limits of their financial capabilities. Historically, prospective franchisees want to appear more financially well off than they actually are.

 \$25,000 - \$49,999 \$50,000 - \$99,999 \$100,000 - \$249,999 \$250,000 - \$499,999 \$500,000 +**49. In which states do you want to promote your franchise?** All US & All Canada All US All Canada

By selecting individual states, you preclude prospective franchisees that are outside (if only slightly) those strict geographic limits. Alternatively, if you choose "All US and Canada", you may receive inquiries from North Dakota or the Yukon, both of which might be difficult to support. Please give some thought to this to ensure that you are not being either too restrictive or too all-inclusive.

NMFI QUESTIONNAIRE (OPTIONAL)

The NMFI is a multi-faceted program dedicated to raising franchise awareness in minority markets by delivering high-quality, readily accessible products in the areas of publications, electronic media, education and training and strategic partnerships. If your organization seeks to recruit minorities and maximize business opportunities in underserved markets, we invite you to participate in the Initiative. Please respond to the questions below to clarify your commitment to increasing minority representation. This data, along with your franchisor profile, will be published on www.MinorityFranchising.com and in *The Minority Franchise Guide*.

CURRENT MINORITY REPRESENTATION

1. Approximately how many operating units (or what percentage) are owned (50% or greater minority ownership) by:

_____ African-Americans	_____ Asian-Americans	_____ Hispanics	_____ Native Americans
Other Minorities: _____			

SPECIFIC MINORITY PROGRAM(S) IN PLACE:

2. Please use the space below to describe any programs that are specifically geared for recruiting and/or assisting potential minority franchisees. Such programs could involve recruiting, training, financing, the deferment of franchise fees, assistance in preparing loan documents, etc. As the vast majority of franchisors do not have specific programs in place, please know that the absence of any particular program(s) in no way indicates that you do not support the inclusion of minority franchisees. What is important is that you support the overall objectives of the Initiative. If you do not wish to use this open-ended space to respond, we will include the following response — *"Although we support the objectives of the National Minority Franchising Initiative, we do not have any specific programs in place at this time."*

Thank you very much for joining our efforts to bring franchising within the reach of minorities.
